

Honor Your Dog at Butler Farm Dog Park

The Butler Farm Bark Park is a haven for members and their licensed, well-behaved dogs to roam, play and socialize in a secure environment.

By purchasing an engraved paw print, your favorite furry friend can leave a permanent mark on the Bark Park. A trail of engraved paw prints will lead members around the pavilion and up the hill. Each personalized paw print will be 10"x 9", can accommodate up to 8 engraved letters and costs \$60. They will be installed in summer 2020.

This fundraising effort will help provide the cash necessary to pay for drainage improvements that will make the Butler Farm Bark Park less muddy, easier to navigate and better than ever.

Those wishing to participate should return this form and a tax-deductible check payable to "Town of Millbury", memo "Bark Park", by MAY 1, 2020 to Department of Planning & Development, 127 Elm Street, Millbury, MA 01527. You may direct questions about this fundraiser to Laurie Connors, Director of Planning & Development at 508-865-4754 or lconnors@townofmillbury.net. Thanks in advance for your participation!
